SECTION C: AUTHOR WARRANTIES & DECLARATIONS

By signing this form, the corresponding author warrants and represents that:

- **Originality:** The manuscript is an original work, has not been previously published in any peer-reviewed journal or conference, and is not currently under consideration for publication elsewhere.
- **Authority:** The corresponding author has full authority from all co-authors to execute this copyright transfer and make these representations on their behalf.
- **Plagiarism & Ethics:** The paper contains no plagiarized material, fabricated data, or falsified results. Proper attribution and citations (in IEEE format) have been provided for all external sources and prior works referenced.
- **Third-Party Copyright:** The manuscript does not infringe upon any copyright, trademark, patent, or proprietary right of any third party. Necessary permissions have been obtained for any copyrighted figures, tables, or content included.
- **Data & Research Ethics:** The research complies with relevant institutional, national, and international ethical standards for scientific research, and the Data Availability Statement in the paper accurately reflects data accessibility.

- **Conflict of Interest:** All financial, personal, or institutional conflicts of interest relevant to the work have been fully disclosed within the manuscript.

SECTION D: RETAINED AUTHOR RIGHTS

Notwithstanding the transfer of copyright, the authors retain the following non-exclusive rights:

- **Patents & Trademarks:** Proprietary rights other than copyright, such as patent rights to processes or algorithms described.
- **Personal & Educational Use:** The right to use the work for personal, non-commercial educational purposes, including internal teaching, lecture presentation slides, or inclusion in academic dissertations.
- **Self-Archiving:** The right to archive the accepted author manuscript (post-print version) on institutional or personal repositories, provided proper citation and reference to IJAIQT are included.
